Subject: HJR153 - Justin Wickens

Name: Justin Wickens
Street: 3203 4th St N
City, State, Zip: Arlington VA 22201
Phone Number: 703-243-8178
Email: jwickens@earthlink.net

Utility Type: all

Company Name: Dominion Virginia Power, Verizon, ComCast, other communications

Comments: Undergrounding is essential in urban areas and should be paid for by developers. Commercial development is causing major impact to urban residential areas, such as where I live, by routing large amounts of heavy cables on already overloaded pole lines. This is a safety concern, in additon to being very ugly. Priorities should be (1) heavily impacted residential areas (2) other urban residential areas (3) commercial areas. Thank you for the opportunity to comment.
